Safety information

Mowers and robotic mowers

Read before use and keep these instructions.

Blades, screws and external accessories listed for the stated mower. This guide does not authorise conversion to a different cutting system.

> Cutting and ejection hazard: keep people and animals outside the machine's safety area. Gloves do not protect against moving blades. Never fit robot blades to a trimmer, bypass guards, straighten cracked or bent blades, or stop a disc by hand. Stop after impact or abnormal vibration.

Switch off the device, disconnect external power and prevent automatic or remote starting before replacement. Let moving parts stop. Isolate batteries or other energy sources as the device manufacturer directs; do not dismantle a built-in battery. Replace only user-serviceable parts. Internal electrical or structural repairs belong to a qualified service provider.

Warnings

Keep loose small parts, magnets and packaging away from small children and animals. Do not put parts in the mouth. If a magnet or button battery may have been swallowed, seek urgent medical help. Follow implanted-device manufacturers' advice around magnetic accessories. These parts are not toys.

Stop using a loose, cracked, deformed or damaged part, or if abnormal heat, noise, vibration, leakage or skin irritation occurs. Secure the device against restarting. Report safety issues to kontakt@yivo.pl and claims to reklamacje@yivo.pl, identifying the product, device model and problem; photos and an order number help. Seek emergency help for immediate danger.

Inspect before operation and after hitting an obstacle. Replace damaged, loose or excessively worn parts. Clean only with energy isolated. Store and discard blades with cutting edges protected.

Store clean and dry, away from heat and sunlight. Sort packaging and worn parts under local collection rules; protect sharp edges. Parts containing electronics or batteries require the appropriate separate collection. These instructions do not restrict statutory rights against the seller. Any commercial guarantee is additional.
