Safety information

Headphone pads, headbands and covers

Read before use and keep these instructions.

Ear pads, foam cushions, headband padding, adapters and hygiene covers.

> Do not force-fit parts, stretch a headband over objects or open battery compartments. Poor attachment or altered sealing can affect sound and noise cancellation. Stop for pressure, irritation, exposed sharp parts or loose padding.

Switch off the device, disconnect external power and prevent automatic or remote starting before replacement. Let moving parts stop. Isolate batteries or other energy sources as the device manufacturer directs; do not dismantle a built-in battery. Replace only user-serviceable parts. Internal electrical or structural repairs belong to a qualified service provider.

Warnings

Keep loose small parts, magnets and packaging away from small children and animals. Do not put parts in the mouth. If a magnet or button battery may have been swallowed, seek urgent medical help. Follow implanted-device manufacturers' advice around magnetic accessories. These parts are not toys.

Stop using a loose, cracked, deformed or damaged part, or if abnormal heat, noise, vibration, leakage or skin irritation occurs. Secure the device against restarting. Report safety issues to kontakt@yivo.pl and claims to reklamacje@yivo.pl, identifying the product, device model and problem; photos and an order number help. Seek emergency help for immediate danger.

Wipe gently and keep foam and glued seams dry. Do not soak leather or synthetic leather; use no unverified leather treatment. Wash fabric covers only if marked washable. Let dry naturally without squeezing or direct heat.

Store clean and dry, away from heat and sunlight. Sort packaging and worn parts under local collection rules; protect sharp edges. Parts containing electronics or batteries require the appropriate separate collection. These instructions do not restrict statutory rights against the seller. Any commercial guarantee is additional.
