Safety information

Watch straps, bracelets and adapters

Read before use and keep these instructions.

Straps, bracelets, spring bars, adapters, buckles and strap keepers.

> Loose fasteners may cause the watch to fall. Do not wear too tightly or continue through skin irritation. Do not assume all materials suit allergies, water or sport. Magnetic closures require the precautions in the safety section. Straps are not safety restraints.

Switch off the device, disconnect external power and prevent automatic or remote starting before replacement. Let moving parts stop. Isolate batteries or other energy sources as the device manufacturer directs; do not dismantle a built-in battery. Replace only user-serviceable parts. Internal electrical or structural repairs belong to a qualified service provider.

Warnings

Keep loose small parts, magnets and packaging away from small children and animals. Do not put parts in the mouth. If a magnet or button battery may have been swallowed, seek urgent medical help. Follow implanted-device manufacturers' advice around magnetic accessories. These parts are not toys.

Stop using a loose, cracked, deformed or damaged part, or if abnormal heat, noise, vibration, leakage or skin irritation occurs. Secure the device against restarting. Report safety issues to kontakt@yivo.pl and claims to reklamacje@yivo.pl, identifying the product, device model and problem; photos and an order number help. Seek emergency help for immediate danger.

Remove surface dirt, sweat and moisture regularly. Keep leather dry; use gentle dry cleaning for unknown finishes. Clean and dry both skin and strap. Check keepers, pins and clasps; have bracelet resizing or screw adjustment done with suitable tools.

Store clean and dry, away from heat and sunlight. Sort packaging and worn parts under local collection rules; protect sharp edges. Parts containing electronics or batteries require the appropriate separate collection. These instructions do not restrict statutory rights against the seller. Any commercial guarantee is additional.
