**Safety information**

# Screen protectors: glass and films

Read before use and keep these instructions.

Pre-cut protective glass and films for the indicated screen dimensions and model; excludes liquid UV adhesive systems.

> Glass can break and cut. Do not bend it, force out bubbles with hard tools or install damaged edges. Remove broken glass carefully while protecting hands. Do not use unknown solvents or additional glue. A protector does not make a device shatterproof or waterproof.

Switch off the device, disconnect external power and prevent automatic or remote starting before replacement. Let moving parts stop. Isolate batteries or other energy sources as the device manufacturer directs; do not dismantle a built-in battery. Replace only user-serviceable parts. Internal electrical or structural repairs belong to a qualified service provider.

## Warnings

Keep loose small parts, magnets and packaging away from small children and animals. Do not put parts in the mouth. If a magnet or button battery may have been swallowed, seek urgent medical help. Follow implanted-device manufacturers' advice around magnetic accessories. These parts are not toys.

Stop using a loose, cracked, deformed or damaged part, or if abnormal heat, noise, vibration, leakage or skin irritation occurs. Secure the device against restarting. Report safety issues to kontakt@yivo.pl and claims to reklamacje@yivo.pl, identifying the product, device model and problem; photos and an order number help. Seek emergency help for immediate danger.

Wipe gently; avoid scraping edges. Replace cracked glass or lifting film. If touch response deteriorates, check model compatibility and installation rather than increasing pressure.

Store clean and dry, away from heat and sunlight. Sort packaging and worn parts under local collection rules; protect sharp edges. Parts containing electronics or batteries require the appropriate separate collection. These instructions do not restrict statutory rights against the seller. Any commercial guarantee is additional.
