# Passive styluses and replacement tips

Read before use and keep these instructions.

Non-powered styluses and tips for compatible interactive displays; IR and capacitive technologies are not automatically interchangeable.

> Loose tips and magnets are ingestion hazards. Do not dismantle magnets, throw the stylus or point it at a face. Children should use it under appropriate adult supervision. Stop if the tip exposes a hard core, scratches the screen or comes loose. Powered pens need their own electrical instructions.

Switch off the device, disconnect external power and prevent automatic or remote starting before replacement. Let moving parts stop. Isolate batteries or other energy sources as the device manufacturer directs; do not dismantle a built-in battery. Replace only user-serviceable parts. Internal electrical or structural repairs belong to a qualified service provider.

## Warnings

Keep loose small parts, magnets and packaging away from small children and animals. Do not put parts in the mouth. If a magnet or button battery may have been swallowed, seek urgent medical help. Follow implanted-device manufacturers' advice around magnetic accessories. These parts are not toys.

Stop using a loose, cracked, deformed or damaged part, or if abnormal heat, noise, vibration, leakage or skin irritation occurs. Secure the device against restarting. Report safety issues to kontakt@yivo.pl and claims to reklamacje@yivo.pl, identifying the product, device model and problem; photos and an order number help. Seek emergency help for immediate danger.

Wipe with a soft cloth, following the screen manufacturer's cleaning advice. Keep tips free of grit and replace worn ones. Do not soak. Store spare tips away from small children.

Store clean and dry, away from heat and sunlight. Sort packaging and worn parts under local collection rules; protect sharp edges. Parts containing electronics or batteries require the appropriate separate collection. These instructions do not restrict statutory rights against the seller. Any commercial guarantee is additional.
