Safety information

Air purifier replacement filters

Read before use and keep these instructions.

Replaceable filter cartridges for the specified air purifier; not respiratory protective equipment.

> Do not run without the required filter or with packaging still attached. Do not wash HEPA or carbon media unless expressly marked washable. Do not add fragrance or chemicals. A filter does not remove every gas or replace ventilation; no filtration class is implied without product-specific evidence.

Switch off the device, disconnect external power and prevent automatic or remote starting before replacement. Let moving parts stop. Isolate batteries or other energy sources as the device manufacturer directs; do not dismantle a built-in battery. Replace only user-serviceable parts. Internal electrical or structural repairs belong to a qualified service provider.

Warnings

Keep loose small parts, magnets and packaging away from small children and animals. Do not put parts in the mouth. If a magnet or button battery may have been swallowed, seek urgent medical help. Follow implanted-device manufacturers' advice around magnetic accessories. These parts are not toys.

Stop using a loose, cracked, deformed or damaged part, or if abnormal heat, noise, vibration, leakage or skin irritation occurs. Secure the device against restarting. Report safety issues to kontakt@yivo.pl and claims to reklamacje@yivo.pl, identifying the product, device model and problem; photos and an order number help. Seek emergency help for immediate danger.

Clean only permitted pre-filters by their instructions. Keep replacement filters sealed, dry and undeformed. Replace damaged, saturated or persistently odorous media; follow the device indicator, conditions of use and instructions. Avoid inhaling released dust.

Store clean and dry, away from heat and sunlight. Sort packaging and worn parts under local collection rules; protect sharp edges. Parts containing electronics or batteries require the appropriate separate collection. These instructions do not restrict statutory rights against the seller. Any commercial guarantee is additional.
